§1

The Parties agree to change the content of § 3, point 2 of the Agreement, which shall read as follows:

1. Author(s) agree(s) that their work's copyright agreement is not limited to the scope of this agreement and they transfer it to the Publisher on the following fields of use, without territorial and time limitations:

- a) the right to publish the work in the form of book and digital as well as its distribution in the form of book and digital including display, reproduction, broadcasting, communication to the public by the Publisher and third parties,
- b) the right to put the work on the market (distribution) in both digital and paper form, including selling, lending, leasing, renting, sharing and licensing to other parties,
- c) the right to the preservation and multiplication of all or part of the work on paper and in digital form, and in any other possible way by the Publisher and third parties,
- d) the right to put the work in the memory of the computer and save it in the information system of the Publisher and other entities distributing digital content,
- e) the right to archive the work and create copies of the work on electronic media by the Publisher and third parties without any quantitative restrictions,
- f) the right to digitize and convert the work in an electronic version on other digital formats by the Publisher and third parties,
- g) the right to offer the work in paper and digital forms via the Internet or other ICT networks by the Publisher and other third parties,
- h) the right to distribute the work, including the Internet and other ICT networks by the Publisher and other third parties to allow viewing, reading, copying the content of the work in electronic form, i.e. all the elements belonging to it, the statement 'copying' is understood as saving the work being shared by the person involved on the chosen medium,
- i) the right to store the work in the Publisher's database and other entities distributing the work in any other form, as well as its processing in the database of the Publisher and third parties,
- j) the right to translate and publish the work in one of the modern languages in any form by the Publisher and third parties,
- k) the right to make studies of the work regarding the necessity of using its content, the Publisher or third party who made the studies is entitled to dispose the studies and use them.

§2

Other stipulations of the Agreement remain unchanged.

§3

The annex is prepared in two identical copies, one for the Publisher, one for the Author(s).

§4

Annex shall apply from the date of its conclusion.
